 TELEPHONE: (504)340-0055 ■ FAX: (504)340-0056

GENERAL DESCRIPTION:

The Ruelco Status Indicator is designed to give positive indication of a pneumatic control signal. When pneumatic pressure is applied to the Status Indicator, the viewable window will indicate green. When the pneumatic signal is removed, the indicator will show red. Its simple and compact design makes maintenance and repair easy. The Status Indicator does not have to be removed from the control panel or system loop if repair or maintenance is necessary.

STATUS INDICATOR
